

# OLNEY TOWN CENTER

## ADVISORY COMMITTEE

### Purpose

The Olney Town Center Advisory Committee (OTCAC) is chartered by the Maryland National Capital Park and Planning Commission to create a common community-based vision of what the town center could look like in the future and how it might function in relation to the surrounding neighborhoods. Specifically, OTCAC will:

- ❖ Create an *Illustrative Concept Plan* for the town center
- ❖ Create a concept plan for a civic center/town commons
- ❖ Review development proposals for parcels within the town center and make recommendations to the Montgomery County Planning Board

The primary authority vested in the committee comes from the direction provided by members of the Montgomery County Council to the Planning Board to “give similar and equal weight to the Committee’s and Planning staff’s advisory opinions.”

### 2008 Work Plan

- ❖ Collect community input on the *Illustrative Concept Plan* and present to Planning Board
- ❖ Complete a concept plan for a civic center/town commons
- ❖ Meet with land owners in the town center to discuss the opportunities and impacts of the new Mixed-Use Town Center Zone
- ❖ Keep Olney citizens informed of the progress in implementing the Olney Town Center Plan.
- ❖ Provide input and recommendations on the redevelopment of areas neighboring the town center.
- ❖ Develop recommendations for capital improvement projects for the town center.
