

OLNEY TOWN CENTER ADVISORY COMMITTEE

NOMINATION FORM

The Olney Town Center Advisory Committee is a volunteer committee composed of representatives from civic organizations, homeowners associations, social service agencies, and business groups in Olney, Maryland. The group is charged with:

1. Creating an Illustrative Concept
2. Creating a concept for a civic center/town commons
3. Review development proposals for parcels within the town center before they are presented to the Montgomery County Planning Board.

The Committee has also identified the following areas of involvement:

1. Facilitating communication among land owners within the Olney town center,
2. Developing recommendations for capital improvement projects,
3. Providing input to the redevelopment process in adjacent neighborhoods.

The Committee is chartered by the Maryland National Capital Parks and Planning Commission to create a common community-based vision of what the future town center will look like and how it will function in relation to the surrounding neighborhoods.

We look forward to learning more about the nominee and their interest in joining the OTCAC.
